FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

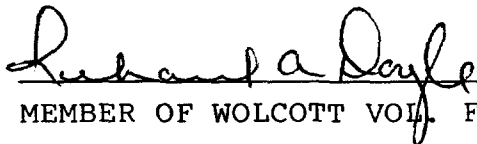

Mr. Haller,

I am writing to you with regards to APCO Spectrum Refarming (P R Docket 92-235) and of my opposition to this proposal. If passed, all radios and pagers currently being used by our Fire Department would have to be replaced. This proposal would affect public safety, Highway, Police, EMS public service and public transportation throughout all of Wayne County.

I strongly urge you to defeat this proposal.

Firematically ,

Signed:

MEMBER OF WOLCOTT VOL. FIRE DEPT.
